- CHAD

**BECAUSE OF
YOU...**

After 34 years, Chad is finally enjoying true independence while living on his own.

He enjoys spending time on his patio, making friends with neighbors, and has even started a new tradition of weekly bowling.

Chad's success is supported by EPI's tech-enabled service, which connects him to virtual staff instantly, if needed.

For example, if Chad were to fall, the system alerts staff, able to arrive within minutes to assist. Chad's story highlights how your support empowers individuals to live fulfilling, independent lives.
