

Six decades, 21,900 days, sixty years. At this very moment, EPI is in its 60th year of service.

We pause, because we're nostalgic like that, and think of the many who helped shape us - those lives we've had the opportunity to touch and in return who have left a footprint on our hearts.

Since 1957, it's been our mission to provide services for persons with disabilities and families. Through the years, we have continued to grow and evolve, establishing and offering quality services needed in our community. Employment, residential, day habilitation, Child Care Resource and Referral - just a handful of the critical services EPI provides every single day.

We also pause to look ahead, to the next 60 and beyond. We want you to know we'll be here, for persons with disabilities, for families in need of child care, for our community, and for you.

While we must evolve and adapt to meet each new challenge, we strive to ensure that the heart, the spirit of EPI, remains - where the people we serve always come first.

Our spirit is strengthened through an unwavering commitment to our mission, dedicated staff, loyal donors, supportive friends, tireless advocates, and a community that embraces all.

We are proud to say we have been around for 60 years, and with your support, *together*, we are sure to make it 60 more. Thank you for being a part of our past, our present, and our future.
